

Memorandum

TO: HISTORIC LANDMARKS COMMISSION

FROM: Stephen M. Haase, AICP

SUBJECT: SEE BELOW

DATE: February 4, 2003

**SUBJECT: HP03-003 HISTORIC PRESERVATION PERMIT FOR A PROJECT
LOCATED AT 1600 NAGLEE AVENUE FOR ALTERATIONS TO THE MUNICIPAL ROSE
GARDEN, CITY LANDMARK NO. HS95-102**

The proposed project would allow replacement paving for the central pathway in the Municipal Rose Garden.

The Staff Report, dated February 24, 2003, referenced the fact that the Department of Parks and Recreation staff will present alternative pervious paving materials to the proposed concrete slab paving at the March Historic Landmarks Commission meeting for review and approval.

Commissioners can view two alternative pervious materials, Eco-Stone and Holland Stone Heritage Series, using the following links to the internet:

Eco-Stone
